

## Accessing Europe: Real Estate & Capital Opportunities for North American Managers

You're invited to join us at our next webinar 'Accessing Europe : Real Estate & Capital Opportunities for North American Managers'. Apex Group will host a panel of expert speakers from ACRON AG, Akin Gump, PwC and TritonLake. The discussion will examine the appeal of European capital markets for US managers whether investing in Europe or the States. As we begin to emerge from rare times international economies are predicted to recover at unprecedented rates. Our speakers will look at the opportunities and challenges for North American managers accessing one of the world's largest economic blocs for perhaps the first time.

Date: June 17, 2021
